Our purpose for this evening is to kick-off the Christmas season by raising money for Servant's Heart Christmas Project. Last year our Christmas Project blessed 600 kids with gifts under the tree.

We ask that each person bring a wrapped gift to be auctioned off. Be careful though, folks get so caught up in the auction they end up buying what they brought. Come and have a wonderful time of fellowship and laughter.

Please R.S.V.P. by November 30th
