Our purpose for this evening is to kick-off the Christmas season by raising money for Servant's Heart Christmas Project. Last year our Christmas Project blessed 484 kids with gifts under the tree. This year our goal is 500 kids. We will be serving dinner and having a White Elephant auction.

We ask that each person bring a wrapped gift to be auctioned off. Be careful though, folks get so caught up in the auction they end up buying what they brought. Come and have a wonderful time of fellowship and laughter.
